Etudes and Excerpts 2010

Our performance will be held at **Kofa Auditorium at Kofa High School (3100 S Ave A)** on Saturday, June 5th.

We will be dividing Academy classes into three shows: one at 11:00am; one at 1:15pm and another at 3:30pm. This makes for a shorter program which is more enjoyable for both dancer and audience. Performance times are now posted on the bulletin board in the lobby.

All preparation for the performance is being done in your dancer's regular class time. It is important for your dancer to attend all of their scheduled classes so they will be fully prepared for the performance.

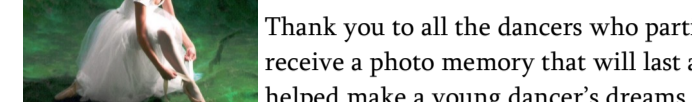

You will be receiving 2 tickets to your dancer's performance. Families with siblings in separate shows will receive an extra set for the parents to attend both shows. Additional tickets will be available for purchase at the front desk. Tickets will be available for pickup and sale beginning Monday, May 17th.
