## Etudes and Excerpts...

...the Academy's end of year performance for all students

Each year the Academy presents its students in an annual demonstration performance of dance skills. This year's performances will be held on **Saturday, June 5th, 2010** at Kofa Auditorium. This is a special time for each of our students to exhibit skills learned during the past year for their parents, families and friends. It is a wonderful way for the child to feel the joy of performance without the anxiety and stress a full-length production can produce.

Detailed information and participation forms will be distributed to dancers the week of January 11th and also emailed to you. Forms need to be returned by February 5th.
