### ACADEMY Notes:

**Keeping the studio clean:** A reminder that all food and drinks (except water) are not allowed in the lobby. Please use the picnic tables outside. This includes toddlers waiting for their older sibling.

**A Ballet Bun:** A reminder that all girls must wear their hair up and out of the face. Miss Emma has seen too many pony tails in her ECD classes. A ballet bun is preferred but there are several different ways you can do your dancer's hair. If you are unsure of making a bun have Miss Donna give you a lesson while waiting in the lobby.

Your next tuition installment will be due December 1st.

Thank you for having chosen the ACADEMY for your child's  
dance education.
