

The Training School for Ballet Yuma

Welcome!

It is great to see all of our returning students along with many new faces back in the studio. We are looking forward to one fantastic season at the Academy.

We will keep you up-to-date on all the 'happenings' with our email newsletters. Please make sure we have a current email address for you as all important information will be distributed this way. If you are not receiving any emails and have given us your address please let us know. We may have entered your email incorrectly. For those without internet access, all information will also be posted on the bulletin boards located in the Academy lobby.
